

3rd class work

12/3/2020

In light of the current Covid 19 situation, teachers have been advised to assign work for pupils in order to prepare for possible school closures. I have listed below work from the three core subjects (Gaeilge, English and Maths). The Gaeilge and English work is mainly comprehension and grammar work. The Maths work assigned is all revision work that the children should already be familiar with. I have sent home three books with every child; Bun go Barr, Planet Maths and Treasury. These can be kept at home in preparation for school closures. The children also have their Spell Well, Mental Maths and handwriting books in their bags. There is a lot of work below! This is just in preparation for long closures as it is hard to predict what might happen.

Maths

Planet Maths 3rd class – the following chapters

- Topic 5 - Super Subtraction
- Topic 6 – Fantastic Fractions
- Topic 15 – Division 2
- Topic 17 – Fractions 2
- Topic 19 – Weight
